

'Knowledge is power.
Information is liberating'.
Kofi Annan

The Friends of the Mount Kisco Library's mission is to support and enhance programs at the Mount Kisco Public Library.

Your support enables the library to offer a more diverse range of programs not covered in its annual budget. This means that your support directly contributes to the enrichment of our community.

We are deeply grateful for your support and will continue to provide cultural, fun, and almost always free programs open to the public. Your contribution is truly appreciated and makes a significant difference in our community.

Membership entitles you to early notification of events, free entry to pay for events for certain levels, and offers value, contributing to the betterment of the community. Your membership is not just a contribution but an investment in the enrichment of our community.
